

## Directions to Dino Cliffs Trail

### Directions

- Take exit 13 off Interstate I15 and turn north. Park along Buena Vista Boulevard.
- Take the main Prospector Trail which heads northeast out of the parking area.
- Travel 1 mile to get to the Dino Cliffs Trail.
- Take the left branch up a hill onto the Dino Cliffs Trail which is 1.8 miles long.

### The Trail

- This trail traverses along a wide red rock plateau beside a series of red rock cliffs to the north.
- The trail ends at a long steep sand hill.
- Hike up this hill to the main road which eventually takes you back to the starting point.
