

## Directions to the Arch Trail, Hurricane, Utah

- Drive Leeds road 900N about 3 miles in a southerly direction.
  - You will see a fenced parking area to the left of the road ~200 feet off the main road.
  - Turn left and enter the main fenced parking area (GPS N37.209623, W113.335878).
- The Arch Trailhead leaves from a primitive camping area to the east (GPS N37.206365, W113.329993)
- To hike to the Arch Trailhead, exit the parking area at the sign in the south corner
- Hike easterly through a steep wash and up over a small hill ~1000 feet.
  - The trail then turns in a southerly direction to a junction of several roads ~650 feet.
  - Go straight through this junction to the parking area ~900 feet.
  - The Arch trail exits this area at the sign – total distance from the start ~1/2 mile.
- To ORV to the Arch Trailhead, exit main parking area and turn right along a secondary road.
- Travel about 1/5<sup>th</sup> mile to the first junction and turn right.
  - Travel southerly through the wash to join the hiking trail at the top of the hill ~700 feet.
  - Continue southerly through the road junction to the trail head ~1/3 mile.
