

## Directions to Fire Wave

### Getting There

The Fire Wave is located in the Valley of Fire State Park, in south-eastern Nevada, accessed from Interstate I15.

- If coming from the north take exit 93 and travel south east on the N Moapa Valley Boulevard, route 169, through Overton, Nevada, 20.0 miles to the Valley of Fire Highway.
- The eastern park entry is 2.0 miles along this road to the pay station.
- You need cash or a check to pay for the \$10 one day entry permit.
- If coming from the south take exit 75 onto the Valley of Fire Highway and travel 14.5 miles east to the west park entry station.
- The Fire Wave Trailhead is 4.3 miles north of the park Visitor Center. Park at parking lot #3 and the trailhead is directly across the road.
